- 1 year interior component and workmanship

When rapid response is required, call on the "Rapid Command", the hybrid concept of a Rapid Deployment and Command Center. The "Rapid Command" has ample seating for 12 tactical officers not including the driver and passenger just like a rapid deployment vehicle. It features lighting, power sources and climate control just like a command center all for a reasonable price. Why buy 2 vehicles when one "Rapid Command" will do the job?

Interior Standard Features:

- (2) 8' bench seating areas
With under bench storage
and re-moveable cushions
- (1) 48" bench with re-
moveable cushions
- 22" command desk with
inverted and 12 volt power
outlets
- (2) 96"x 16" x15" overhead
storage cabinets
- 1 24"x 78" x 20" locker/
closet
- 6 wall mounted inverted
outlets
- 1500 watt pure sine inverter
- 60 amp converter charger
- (2) 6 volt agm batteries
- Bass 12 volt/110 volt
control panel
- Marlite walls (Dry erase
compatible)
- 8 low drawer white/red
LED lights
- Carpeted sidewalls in
forward areas and rear
panels
- Grab bars on cabinets
- 32K BTU max air, air
conditioning system
- 20K BTU hot water heater
